

## Common Blue

Warpaint

I swear I'm not a mess  
I don't meant burn this down  
Absolve myself of this  
I need to be alone for now

To see what rises up inside  
Take my time, don't have to say why  
Pleasures like a butterfly  
Can you see the colors? Everything I am

Isn't it obvious?  
That maybe, baby, we only have one life to live  
I try my best  
I try my best to make the most of it

To see what rises up inside  
Take my time, don't have to say why  
Pleasures like a butterfly  
Can you see the colors? Everything I am

Maybe, baby, we only have one life to live  
Maybe, baby, we can be a butterfly  
Maybe, baby, we only have one life to live  
Maybe, baby, we can be a butterfly

Isn't it glorious?  
That maybe, baby, we can make the most of this  
The sequences on my chin (I feel like a million)  
Become beauty marks upon my skin

Rising up a second time  
Pain will come as advertised  
Climb the ladder to the sky  
Catch the view like a butterfly  
With pleasures like a butterfly  
Ride the wind that gets me high  
Never wanted to be shy  
Can you see the colors? Everything I am

Maybe, baby, we only have one life to live  
Maybe, baby, we can be a butterfly  
With pleasures like a butterfly  
Ride the wind that gets me high  
Never wanted to be shy  
Pleasures like a butterfly  
Maybe, baby, we only have one life to live  
Maybe, baby, we can be a butterfly
