

Hips

Warpaint

Higher
Higher
Higher

She's coming through your portal
From a very steep climb
She's gonna make it
She's got diamonds
Diamonds in her pocket
And an army of light
Don't fuck with her
She knows where you're hiding

(Hips to the left, hips to the left
Hips to the right, let's go)

(Hips to the left, hips to the left
Hips to the right)

Oh, oh-oh-oh
Oh, oh-oh-oh-oh
Oh, oh-oh-oh-oh-oh
Oh, oh-oh-oh-oh-oh
Oh, oh-oh-oh-oh
Oh, oh-oh-oh-oh-oh
Oh, oh-oh

Mmm, she's a little messiah
Jewel in the crown
Walking on water
Cruising through fire
It's shady weather
There's fear in the house
Gotta come up on the pressure
Gotta, gotta get up to get out

Oh, oh-oh-oh (Gotta, gotta get up to get out)
Oh, oh-oh-oh-oh (Gotta, gotta get up to get out)
Oh, oh-oh-oh-oh-oh (Gotta, gotta get up to get out)
Oh, oh-oh-oh-oh-oh (Hips to the right)
Oh, oh-oh-oh (Hips to the left)
Oh, oh-oh-oh-oh (Hips to the left)
Oh, oh-oh (Not gonna let it out)

I am feelin' free
Do not get to decide
If I want the world
If I want to lose control
If I can please myself
If I can roll solo
And when I play her
The softness starts to show

I won't forget
I won't forget
I won't forget
I won't forget

I will remember, will remember, will remember

I won't forget

I won't forget

I won't forget

I won't forget

I will remember, will remember, will remember

I won't forget

I won't forget

I won't forget

I won't forget

I will remember, will remember, will remember this
