Like Sweetness

Warpaint

In your darkest hour
I'm the lights that come on
I sit here in waiting
Count the time you're gone

Honey, you are like, ooh
Like sweetness

So much out there for wanting
Our fate just takes time
I let the dust settle
Let the grapes become wine

Honey, you are like, ooh
Bringing honey from heaven
Darling, you are so, ooh-ooh
Like sweetness

I'll wait forever
Wait for you to take your throne
I'll wait forever
Know that you are not alone
You are not alone

So much out there for living
Some mountains to climb
I will not settle
I live undenied, undenied

Bringing honey from heaven
Darling, you are so, ooh
Like sweetness

I'll wait for you
I'll wait forever
For you to take your throne
I'll wait forever
Know that you are not alone
You are not alone
