Proof

Warpaint

When I wanna be so inspired
My mind is way too tired
I need my love
I need my love
And you think it doesn't matter
My dress is torn and tattered
When is enough
I need my love

When I'm swinging high and swinging low
All my energy wants to follow where I go
Just get behind me
Aye, aye, aye, aye

The proof is, the proof is, the proof is
The proof is in the pudding
Energy is finding me
The proof is, the proof is, the proof is
The proof is in the pudding

Was it all a crazy dream?
Did you really come to me?
Find it hard to believe
But the proof is, the proof is in the pudding

The proof is, the proof is, the proof is
The proof is in the pudding
The proof is, the proof is, the proof is
The proof is in the pudding

Hold on to me
If you ever wanna get some love

I need my love
I need my love
I need my love
I need my love
