

## 32 Pennies

Warrant

Spend my time and all my money on a knob for my brass bed  
Climb to the top of the highest mountain just to see how far I  
get  
Dancin' with my shadow and I let my shadow lead  
If I die with a penny in my pocket then I guess that's all I need

Ooh baby where you going to  
I was thinking that maybe I would come along with you  
I could walk on down the road till I found me someone new  
But I think I'll stay just one more day, cuz i'm in love with you  
Ohh, ohh  
Yeah  
Ooh, ooh, baby, yeah

32 pennies in a Ragu jar  
That's all I've got to my name  
I love her and she loves me to the pennies it's all the same

Ooh, baby, where you going to  
I was thinking that maybe I would come along with you  
I could walk on down the road till I found me someone new  
But I think I'll stay just one more day, cuz i'm in love with you  
Ohh, ohh

my-my-my-my-my baby yeah

32 pennies in a Ragu jar  
That's all I've got to my name  
But I love her and she loves me to the pennies it's all the same  
Ooh, ooh  
Yeah  
Ooh ooh

Give me love, give me love  
Give me love, give me love  
Ooh, ooh,  
Whoa yeah!
