

## Chameleon

Warrant

You always change your colors  
when you find yourself in a fix  
And when you get yourself  
in trouble  
You just pack your bags and split  
And your off to find a new love  
Who doesn't know you  
Like some do  
Put on a smile like it's make up  
Protection from the truth  
If they don't have what you need  
You won't need them right back  
And if they gave you the world  
You'd find something wrong with that

You better find out which road  
Your on  
You can't change who you are  
By the colors you put on  
You better find somebody  
To lean on  
Make up your mind Chameleon
