

I'm going to go for it

When I walked into the room  
I sure was surprised  
My mind started to play  
Your tight dress and long hair  
Ooh, your white, white smile  
Yeah, you're driving me wild

Don't wanna close my eyes 'cause time's slipping away

Roxy got me rolling  
Ooh, you got me down on the floor  
Oh, Roxy, I just can't take it no more

I'll be the love between your thighs  
Ooh, I'll be the sex in your mind (I'll be the sex in your mind  
)  
Yeah, with you all the time  
You can't stop the universe  
Oh, but you can stop my heart (You can stop my heart)  
Help me, I think I'm falling apart

Don't wanna close my eyes 'cause time's slipping away

Roxy got me rolling  
Ooh, you got me down on the floor  
Oh, Roxy, I just can't take it no more  
Roxy got me shaking  
Ooh, you got me down on my knees  
Oh, Roxy, you got me begging you please  
Said I'm begging you please  
Yeah, I'm begging you please, yeah

Don't wanna close my eyes 'cause time's slipping away

Roxy got me rolling  
Ooh, you got me down on the floor  
Oh, Roxy, I just can't take it no more  
Roxy got me shaking  
Ooh, you got me down on my knees  
Oh, Roxy, you got me begging you please  
Said I'm begging you please  
Yeah, I'm begging you please
