Wheels Keep Spinning

Warren G

While the wheel is spinning, spinning, spinning
I'll not dream of winning
While the wheel is turning, turning, turning
I'll be yearning, yearning

In this day in age, you gotta ride luxury
With a gang of beats in the trunk, bumpin' Warren G
That's what I do, and get a lotta attention
When I stop, my wheels keep spinning
I'm an OG so I do spree [?]
Got money to spend, y'all niggas can't tell?
Got a six car garage with a six-four, six-tre, sixty-eight, and a fifty-seven
Man, you know what you got?
Yeah, I know I been blessed with the rep of havin' the best rides on the set
And when It comes to mine, I'm only dealin' with vets
They keep a nigga fresh, now your chick's out of breath
But blame me none, I'm livin' life, havin' fun
If the block near you, just show 'em how it's done, cuz
I'm gon' do that (That)
While my wheels keep spinnin', Jack (Hey)
And if you rock with the funk, c'mon

While the wheel is spinning, spinning, spinning
I'll not dream of winning
Hey, I know you're ridin' with the funk, c'mon
While the wheel is turning, turning, turning
I'll be yearning, yearning

You could tell me nothin' about stuntin' (Uh-uh)
Check my stats, and realize the real rider is back
As a matter of fact, you could [?] the DVD in fullscreen and see me sittin' like a triple [?]
Think yours gleam? Try again, homie
I been ridin' twenty-two, step it up, homie
At everybody's event, showin' off Betsy
She so sexy with the candy-paint, ain't she?
You should see her inside, the next generation got TVs in the windshield, th at's how I take maintenance
Fresh pair of [?], mints for the floor [?]
Surround sound audio with JVCs
But blame me none, I'm livin' life, havin' fun
If the block near you, just show 'em how it's done, cuz
I'm gon' do that (That)
While my wheels keep spinnin', Jack (Hey)
And if you rock with the funk, c'mon

While the wheel is spinning, spinning, spinning
I'll not dream of winning
Hey, I know you're ridin' with the funk, c'mon
While the wheel is turning, turning, turning
I'll be yearning, yearning
