You went super deep inside my heart
Don't know if you feel it now
You went to the beach walking a far
Don't know if you feel it now

We got distance
I can't make decisions
Pouring liquids in my cup, so I fit the system
I'm not asking for your texts I just want to feel it (I just wanna feel it)

Let's call 4AM, let's eat Korean, barbecue, if you want it
I don't mind if your honest
Let me see your true colors, yellow pink, red what is on it?
Fill me up put a pump on it, stump on it
Walkway to the mainland, see what is your game plan
I don't ever wanna change man
Couple years with the same gang, we not blood tho
We like puddles
Drippy tipsy off the fucking bottle, what the motto?
Gang gang that's the gangster motto
Bullshit you ain't fucking rock tho
Boyboujee wanna flex on ya'll
I'm the boy sue me if I pop them all
They the weak crew I ain't fucking with it
I don't see shit cause the window tinted like (skrt)

You went super deep inside my heart
Don't know if you feel it now
You went to the beach walking a far
Don't know if you feel it now

We got distance

Soo what you telling me
I don't wanna hear the melodies
Can you get out of my head, mixed emotions go ahead, way far
Wait stop, you want a lambo and maybach
Homie chill you should lay loose
Only pills and the grey goose can calm it down
No I don't wanna throw it down (are you sure?)
Yeah I'm not around (you don't really have a car to use?)
Yeah man I'm busy now, fuck that you a wussy boy
Get drinks on and the pussy boy, nah man I'm good
I don't wanna go there right now

You went super deep inside my heart
Don't know if you feel it now
You went to the beach walking a far
Don't know if you feel it now

We got distance
I can't make decisions
Pouring liquids in my cup, so I fit the system
