

# Do U Miss Me?

Warren Hue

Do you miss me?  
Do you miss me?  
Do you miss me?  
Do you miss me?

Do you miss me? (Yuh)  
I said baby do you miss me? (Yuh)  
This shit straight up to my feelings (Yuh)  
Said you wanted me tonight, tonight (Yuh)

Do you miss me? (Yuh)  
I said baby do you miss me? (Yuh)  
This shit straight up to my feelings (Yuh)  
Said you wanted me tonight, tonight (Yuh)

Don't waste no time now, put yo' waist on mine now  
We can't wait to find out what we doin' I doubt (Yuh)  
I doubt (Yuh)  
You said "I'll be there for you every time I swear  
I don't care 'bout anyone just you alone in bed"  
Wanna know about, I just wanna know about things  
You say to me

Yuh, you said you'd never break my heart  
You said, you you said  
You say "I won't break your heart"  
Well I fell for this again

Do you miss me? (Hey)  
I said baby do you miss me? (Yuh)  
This shit straight up to my feelings (Yuh)  
Said you wanted me tonight, tonight

Do you miss me? (Hey)  
I said baby do you miss me? (Yuh)  
This shit straight up to my feelings (Yuh)  
Said you wanted me tonight, tonight

You said our love would be fake  
Drownin' my heart in a lake  
Ran out of shit to say, yeah  
I can't save you now, 'cus you out of my head again

Do you miss me? Do I miss you?  
I am thinkin' 'bout the times we spent  
Everything just ended

Do you miss me? (Yuh)  
I said baby do you miss me? (Yuh)  
This shit straight up to my feelings (Yuh)  
Said you wanted me tonight, tonight
