

# Foolish

Warren Hue

(□□88rising)

Whole squad in the car, finna hop and we mobbin' (Yeah)  
Leavin' the sideshow, the droptop spotless (Droptop)  
Baby, it's a check and the flex not modest (Yeah)  
Goin' through my phone, I got a pretty girl problem (Brr)  
I don't think that you could save me, the Bay, it raised me  
She wanna come and party with a groovy Asian  
Who could blame you? (Yeah)  
Fresco, Richmond, Oakland, baby  
Me and you not the same, it's money in my pants  
I throw it then escape, in back to back Benzes  
Throw the cup back then it's back to my senses  
Had to back up from backin' ya'll interests  
Long as I'm lit, I don't really need friendships  
Knocking down walls, we don't really need fences  
Now I'm on point like en gaurde fencing  
Money talk for me, baby, I don't gotta mention (Hahahaha)  
Yeah, but it's like

It's like every time they talk about it, but they never do it (Yeah)  
Put my plans in motion, baby, I'm tryna get movin'  
Money on my mind, baby (Yeah, hehe), I'm tryna be foolish (That's why I got)  
Money on my mind, baby (Yeah), I'm tryna be foolish (Yeah)

Yeah, ayy, ayy  
Man, I got that fire tongue, lit like a lighter  
H-O-T-H-U-E July (Huh)  
And I got like more duffle bags just to pile  
Racks for survival, other one to buy with  
Hol' up, let me pick and choose  
This no interview, why you askin' so many questions?  
Y'all know the truth, yeah  
This ain't GQ but I dress G cute  
Might be in them Vogues in my pinnacle, I'm too digital  
I don't look like a lamb, do a Civic zoom  
Yeah, the kid is back, I ain't kiddin', mang  
For the people that ain't with it, mang  
What's my ETA? Switchin' lane, we gon' misbehave  
Hey, this the new era, I'm too terror, I look mirror  
Think I'm best and his mind clever  
This new cheddar, fill up my past errors  
I'm undercover like the Japanese brand  
Gettin' the bag, fetti attached to my body like celebration (Yeah, yeah, uh)

Yeah, I've been that, pull up with tinted Caddy never, Lac though  
Never cappin', and never foldin' like a broken Macbook  
4 vibes on speed dial  
I don't wanna work, I need me some me time  
Body you in six seconds, revine for revine  
My hands get read minds, I'll never rewind  
I do not play either, people deserve freedom  
Me gettin' bag is really good for the-  
Economy, whippin' the Audi, hit the stage and get the moshpit goin'  
I been reborn, hit the Eastside strip loin, shawty dancin' like a robot  
Bitcoins, walk to the bank, your flow stank, my flow dope, DEA  
In this case I'ma tell the lawyer give me raise

Nobody better tell me what I cannot do (Okay)  
You like a TV remote 'cause you always lose (Okay)  
Feel like I can fly when I be on the goose (Okay)  
You got your homies but they never tell the truth (Okay)

It's like every time they talk about it, but they never do it (Yeah)  
Put my plans in motion, baby, I'm tryna get movin'  
Money on my mind, baby (Yeah, hehe), I'm tryna be foolish (That's why I got)
