

# JADE

Warren Hue

Your neck covered in jade  
Your kicks covered with Js  
You look like a magazine cover  
Do you still think about me I wonder, wonder (ayy)  
And I know, and I know you hate me  
And I know, and I know you hate me still  
But you my light, you my light

Will you spend the night doing some dumb shit?  
(Jaded off your love, faded off your love)  
(Jaded off your love, faded off you)  
Would you—  
Would you tell me you love me back?  
(Jaded off your love, faded off your love)  
(Jaded, I don't know)

Life was good when allowances active  
Weekends, spending money for dumb interactions  
Had the parties going off and the women attractive  
Life was good, eating Top Ramen midnight  
Life was good  
PlayStation, TV on, yeah  
Life was good when Look At Me dropped, yeah  
Top dawg TDE status now  
Tryna be the GOAT of this era now  
Life was pretty good when the party wack  
I had to bounce

Ayy, freestyling, we ain't care about shit  
Now it's darker than Marilyn Manson mascara now, shit  
Now apparel sent to me Freer than Bobby Shmurda  
I drive by, city lights feel like Akira lil bitch  
There's a difference between if you need me or you want me  
Two-seater, baby won't you shotgun in my Audi  
Lifestyle, cut the friends out my lifestyle, yeah yeah  
I'm jaded off your love, love

Will you spend the night doing some dumb shit?  
(Jaded off your love, faded off your love)  
(Jaded off your love, faded off you)  
Would you—  
Would you tell me you love me back?  
(Jaded off your love, faded off your love)  
(Jaded, oh no)

Would you?  
Would you?

Will you spend the night doing some dumb shit?  
(Jaded off your love, faded off your love)  
(Jaded off your love, faded off you)  
Would you—  
Would you tell me you love me back?  
(Jaded off your love, faded off your love)  
(Jaded, oh no)

Your neck covered in jade
