

Now how the fuck sugartown even real, like, I'm sitting here chillin with this weird ass shit outside man wtf, (you right, you right) like is this oddly pluto? are we inside of a non existent planet? cause I'm confused right now

They like Warren where the fuck you fit in? Aye, joke boy must be kidding, tell em I'm flames I'm Cole like Bennett
Intelligent, these rappers I invented
Fuck all the ice, my wrist like Ben 10
Scoop a bad one, she nice like 10/10
Whip so tinted, she hate my music so I turn a 5 star to a 3 or 7! Aye!

Seven, (yah) get the fuck away from my business, (yah) run this whole town and image (yah), bitch you don't know why I find myself, UFO, alien boy, you Pluto, gone, finding myself yeah, (Bitch you don't know why I find myself)

Pins and needles, pins and needles for sitting in whip too long
fly like eagle, I'mma pick the sequel for my life, and he know he bye bye, I scoop your bitch up like a drive by, I spot with my right eye, the gang come together like Beatles, I peep thru your body, no sci-fi, just put that on me tho, just circle my name with a highlight, and you know that I am the shit, I'll repeat hoe! (aye!)

RIP hoe (yah) spray your ass up with doe (yah), stinky ass boy wanna talk about me and my name, fuck I'm so sick like Ne-yo, yeah, damn group chat hella poppin' woohoo!, get the fuck away from my comments woohoo!, dropped in, bitch from the cockpit, woohoo!, you a sidekick no Robin

Seven, (yah) get the fuck away from my business, (yah) run this whole town and image (yah), bitch you don't know why I find myself, UFO, alien boy, you Pluto, gone, finding myself yeah, (Bitch you don't know why I find myself)

Deals cracking, still bragging huh, real magic
I'll addicts huh, Don't do pills cause pills tacky huh, feel great, cause bills stacking up, still crazy, still one up, like Mario, run a whole lap In the town do cardio, oops I'm sorry hoe!
! Get your ass outta here!, like a 21+ school party yo

I turn a 5 star to an 8, don't even wait, cause I might be late, I got lost in the stars on my way, It's hard to parallel park outer space
Plus oxygen is a luxury, we can chill right here watch discover y

We can have a meal don't need cutlery, and I like my buns real buttery

Don't you think this shit kind of rubbery

Don't wanna leave but I think I must, didn't wanna wait around for a bus, so I bought a spaceship from Elon Musk, I think it's time that I blast off, time travel with the mask off, Percocet and a bath salt, might send me to heaven, why take 5 when I can take 7 (yeah)

Seven, (yah) get the fuck away from my business, (yah) run this whole town and image (yah), bitch you don't know why I find myself, UFO, alien boy, you Pluto, gone, finding myself yeah, (Bitch you don't know why I find myself)
