

REMATCH

Warren Hue

She says that I'm tripping
She thinks that I'm lost
Weight on me I'm lifting
She thinks I be falling
Deeper deeper
Calling
When are you free for me?
(When are you free for me)
When are you free for me
(When are you free for me)
Oh when are you free for me
Free for me
(When are you free for me)
Free for me
(When are you free for me)

Leave me on read and you be that?
This type of shit better keep that away
Feel like I'm doing a rematch
