

RIP!

Warren Hue

Rest In Peace, rip, what's the best in me? I got shooters in my level that depend on me aye, in the cut with the team bitch who knew that, in the fronts with the team bitch you knew that

You from the ends like a pendant? I don't give a fuck now I got friends on my pendant, this shit mean a lot, but the boy independent, 16 doing shit but and noise independent

Yeah I do business calls, but I press decline when your mistress call, pissed them all, been rapping since you young I still diss them all, (brpp) pop at your dome if you think you all that

You know that's facts, watch where you tap aye

Put myself in the map aye

Racket how I play this like tennis, yellow paint your block, this is a game of tetris, blocboy, shoot, hit the blocboy, I'mma rock boy, rip to pac boy, that's a rip, x made me pop boy, that's a legend, in my eyes, you can't talk boy I'm with shak boy, take a look at the gang we don't stop boy, we don't stop boy

WAV, mp3 my three favorite words on my life swear to G, I got G's if you fake fuck away from my scene, if you run up with my set, you get vexed fuck you mean, fuck you mean I got sauce hoe that's bolognese, labels can't control my face, tables can't control my faith, I be with the mic, all you rappers acting photo based where's the real ones hold up wait hold up wait...

Rest In Peace, rip, what's the best in me? I got shooters in my level that depend on me aye, in the cut with the team bitch who knew that, in the fronts with the team bitch you knew that
