Warren Hue

Got brand new Louis so I copped it
R.I.P. Virg', I'm on the verge of being top 10
Hol' up, where they soul at?
Most bad bitches toxic
Bitch, I'm gon' keep winning take my bands and I enlarge them!

Fake faces, damn they still the same
Bands, place em where my momma stay
Bad bitches fucking all these lames
You take an L, I get first letter of my name (yeah)

I'm the goat you alpaca
Bag swole, do the Cha Cha
Feeling old, I'm your father
New flow make em bye bye
All your songs like bla bla, bro sippin lean, I drink agua
How the fuck I'm still 19, shitting on your fucking top 5
Yea yea, shoot my shot like I'm Peele
Get the fuck out, switching my routes, no ice on me, chill
You come around, puff on the cloud, I float in the hills
Money amounts, keep counting, 'til I pass round all my bags now to my bro br
os
Where you at I'm in Soho, New York
Two phones like I'm Keem baby
New flow making cheese baby
Parmesan, I got new lawns
I might cop both I can't choose one
Two thumbs and middle finger, I'm like ya ya when the bred come!

Got brand new Louis so I copped it

Me and the gang finna take a dub
No we cannot make it up
And I gotta Zendaya lookin bih
She finna shake it up
And we cannot fake a breakin' up
Dis J I face not breakin' up
Can't take no break
Ain't got much fame enough
Pump fake das lame I aim it
We gettin' dub, after dub, after dub
Like a nigga on the internet
Cute face wit' a flat ass
She got two backs like a cigarette
Two stacks of that Benjamin Franklin
Ye bitch I'm into dat
Down bad but I came up
They don't know what a nigga did for that

I'm warning you
That if you try me yo family finna be mourning you
Dis lean I'm pouring too taking big W's wit Warren Hue
That brand new Louis and some Off-White, bitch I wore it too
I dive inside dat pussy with a swim trunk and a snorkel too
