

# Devil I Know

Warren Zeiders

I don't run my mouth  
I let my scars do all the talking  
Crow flies west, the clouds roll dark  
The second that I walk in  
Lord knows where my demons  
They ain't ever far from here  
Only one I answer to  
Is staring in the mirror

Devil I know  
Devil I know  
Is a hell of a lot better  
Than the devil I don't

I am just what I am  
That's all I'll ever be  
I know I chose this life  
But we know you chose me  
This world ain't made for a man  
That can't live with his ghosts  
That's why I take 'em with me  
Everywhere I go

Devil I know  
Devil I know  
Is a hell of a lot better  
Than the devil I don't

Devil I know  
Devil I know  
Is a hell of a lot better  
Than the devil I don't

I'll keep you close  
I'll hold you tight  
I need you tonight

Devil I know  
Devil I know  
Is a hell of a lot better  
Than the devil I don't

Devil I know  
Devil I know  
Is a hell of a lot better  
Than the devil I don't
