

Inside Your Head

Warren Zeiders

I wanna know what's going on inside your head
When you hold me in your arms, you're looking in my eyes
I wanna know what's going on inside your bed
When you know I'm not around, you're living out your lies

I should leave you, I know
I should hate you but I don't

I wanna know what's going on inside your head
Are you thinking about him, when your clothes are on my floor
I desperately want to believe the words you've said
And knowing that I can't makes me want you that much more

I should leave you, I know
I should hate you but I don't

I wanna know what's going on inside your head
When you hold me in your arms, you're looking in my eyes

I should leave you, I know
I should hate you but I don't

I wanna know what's going on inside your head
When you hold me in your arms, you're looking in my eyes
