

Tell Me Like It Is

Warren Zeiders

Maybe once upon a cowboy
You cried and watched him ride away
Well, that may be, but that ain't me
'Cause, honey, this one's here to stay
So say what you need to say

Tell me like it is
'Cause, girl, I wanna know
The secrets that you keep
The fears you bury deep
The tears you never show
Even if it hurts
It can't be worse than this
I ain't gonna judge you
I just wanna love you
Tell me like it is

Maybe once you had an outlaw
Who carved a target on your heart
But I think you'd like to trust me
Just don't know where to start
Well, honey, it ain't that hard

Tell me like it is
'Cause, girl, I wanna know
The secrets that you keep
The fears you bury deep
The tears you never show
Even if it hurts
Can't be worse than this
I ain't gonna judge you
I just wanna love you
Tell me like it is

Tell me like it is

Tell me like it is
'Cause, girl, I wanna know
Secrets that you keep
The fears you bury deep
The tears you never show
Even if it hurts
Can't be worse than this
I ain't gonna judge you
I just wanna love you
Tell me like it is

Tell me like it is
