

Up To No Good

Warren Zeiders

Mm

People talkin', all my friends
Textin', callin' all weekend
"Why I ain't seen you around?
What's-her-name tyin' you down?"
I don't care 'cause they don't know
That fire she lights that takes me over
I'm goin' out of my mind
Wrong never felt so right

She's keepin' me up, up, up
Up to no good
Up all night 'til the day come
She's hell on heels, one look and I'm hooked
On the one Mama said, "Stay away from."
She'll burn a hole right through me
There ain't no turnin' back now
She's keepin' me up, up, up
Takin' me down, down, down

(Up, up, up)

Mm

Like a devil on my shoulder
She's the drug I can't say "No" to
Know it ain't good for me
Man, I'm lovin' how

She's keepin' me up, up, up
Up to no good
Up all night 'til the day come
She's hell on heels, one look and I'm hooked
On the one Mama said, "Stay away from."
She'll burn a hole right through me
There ain't no turnin' back now
She's keepin' me up, up, up
Takin' me down, down, down

(Yeah, ay)

Mm

Up, up, up

Up, up, up

Mm

She's keepin' me up, up, up
Up to no good
Up all night 'til the day come
She's hell on heels, one look and I'm hooked
On the one Mama said, "Stay away from."
She'll burn a hole right through me
There ain't no turnin' back now
She's keepin' me up, up, up
Takin' me down, down, down
