Warren Zevon

You're supposed to sit on your ass and nod at stupid things  
Man, that's hard to do  
And if you don't, they'll screw you  
And if you do, they'll screw you, too

When I'm standing in the middle of the diamond all alone  
I always play to win  
When it comes to skin and bone

And sometimes I say things I shouldn't  
Like....  
And sometimes I say things I shouldn't  
Like....
