

Going All The Way

Warren Zevon

Today's the day you're going all the way
You better make up your heart
You're gonna make a new start today
You know you just can't wait
Waiting for your life to begin
It'll slip right through your fingers
It'll slip right through your fingers
And today's the day you're going all the way
You better make up your heart
You're gonna make a new start today
