

## Like The Seasons

Warren Zevon

I have learned that love can turn  
Like the seasons  
And I know you had to go  
You've got your reasons  
Still I wish you would stay  
Tell me why you are going away  
It hurts me not knowing  
And I believe that love's light leaves in September  
But Fall; and all I do is remember  
Still I wish you would stay  
Tell me why you are going away  
It hurts me not knowing  
How I have wronged you  
Oh, how I long to hold you again  
Like summer never ended  
But winter must fall and I will give all  
Of my love to someone new  
For summer must follow too, and you  
And I have learned that love can turn  
Like the seasons  
And I know you had to go  
You have your reasons  
Still I wish you would stay.....
