

## Looking for the Next Best Thing

Warren Zevon

I worked hard, but not for the money  
I did my best to please  
I used to think it was funny  
'Til I realized it was all a tease

Don Quixote had his windmills  
Ponce De Leon took his cruise  
Took Sinbad seven voyages  
To see that it was all a ruse

That's why I'm looking for the next best thing  
Looking for the next best thing  
I appreciate the best but I'm settling for less  
So I'm looking for the next best thing

Looking for the next best thing

All alone on the road to perfection  
At the inspection booth they tried to discourage me  
You can believe what you want that'll never change it  
Well you'll have to come around eventually

And you'll be looking for the next best thing  
Looking for the next best thing  
I appreciate the best, I'm settling for less  
I'm looking for the next best thing

Well looking for the next best thing  
Looking for the next best thing  
Yes I'm looking  
And I'm looking for the next best thing  
I'm looking for the next best thing
