

# A Sign

Washed Out

I know that we've only both just met  
But there's no need to doubt

'Cause I think I'm falling hard  
Am I taking this too far?  
Maybe it's a sign the timing's right  
Ooh  
Ooh

So what's the rush?  
Maybe it's just a crush  
Should we just roll the dice one more time?

But I think I'm falling hard  
Am I taking this too far?  
Maybe it's a sign the timing's right (Timing's right)  
(Timing's right, timing's right, timing's right)

Ooh  
Ooh  
Ooh  
Ooh
