Face Up

Washed Out

Are we gonna work out?
Are we gonna make it all right?
Are we gonna wake up?
Are we just wasting our time
Try to run away
Stall another day
Time is never right
Keep shutting me out
If you wanna go
Then baby, please know

I'll be all right
Biding my time
You don't have to lie
We just need to say goodbye
It's about time
The truth comes out
The truth comes out

Are we gonna make up?
Are you gonna act like we're fine?
I think it's time to face up
Can't just keep ignoring the signs

I'll be all right
Biding my time
You don't have to lie
We just need to say goodbye
It's about time
The truth comes out
The truth comes out

All in all, the moment's lost
All we need is to break it off
Don't wanna fuss, don't wanna fight
Don't wanna leave, but I think it's time

All in all, the moment's lost
All we need is to break it off
Don't wanna fuss, don't wanna fight
Don't wanna leave, but I think it's time
