

## **Hold Out**

## **Washed Out**

It's alright  
It's on tight  
You hold out  
For more than  
You go for  
It's not going  
To work out

You hold tight  
Your fortune  
We rise  
In time

It's alright  
It's on tight  
You hold out  
For more
