

## Paralyzed

## Washed Out

Been waiting so long to have you back here in my arms  
I swear I've been counting down the days  
As soon as you left and went away  
Each time I think about  
You doing those things that drive me wild  
Makes me go crazy at the thought

My heart is burning up  
Can never get enough  
Think I'm addicted to your love  
Your love

You're always on my mind  
Can't wait another night  
When are you coming home?  
I need to see you now  
I'm shaken every time  
You give me loving eyes  
You make me paralyzed  
I think I'm paralyzed

Your thoughts keep on bouncing round and round inside my head  
Girl, I can never make it stop  
My heart is racing around the clock  
And though you're far away  
I know that soon you'll make it back  
And then we can finally work it out

My heart is burning up  
Can never get enough  
Think I'm addicted to your love  
Your love

You're always on my mind  
Can't wait another night  
When are you coming home?  
I need to see you now  
I'm shaken every time  
You give me loving eyes  
You make me paralyzed  
I think I'm paralyzed
