

## Running Away

## Washed Out

Why do you turn and walk away when I come round?  
What can I say to make you want to give me a chance?

Every time you run, run away  
You keep trying so hard to hide your love from me  
You don't wanna get hurt  
And you're afraid to try  
If you give me a chance, then I will never let you down

Every time you run  
Every time you fall  
Know I won't give up  
Won't let go  
If you can just have faith  
You can change your mind  
I'll never let you down

I know it's hard moving past a broken heart  
You're always on guard so you won't get hurt

Sometimes  
It can feel like you've missed your chance to get it right  
Keep trying  
Cause sometimes your darkest point is where you find the light  
I know you can  
Ooooh light  
Ooooh light  
Ooooh  
Ooooh

Every time you run  
Every time you fall  
Know I won't give up  
Won't let go  
If you can just have faith  
You can change your mind  
I'll never let you down

Every time you run  
Every time you fall  
Know I won't give up  
Won't let go  
If you can just have faith  
You can change your mind  
This time, just try
