

Wait on You

Washed Out

I'll wait on you, baby
I'll wait on you, baby
I'll wait on you, baby
I'll wait on you

I know our time's been hard
Started strong, but now we're miles apart

Girl, I don't know what to do
Going crazy, but I'll wait on you
On you

I'll wait on you, baby
I'll wait on you, baby
I'll wait on you, baby
I'll wait on you

Looking back, how hard will we try?
Before we ask, was it worth the fight?

Girl, I don't know what to do
Going crazy, but I'll wait on you
On you

I'll wait on you, baby
I'll wait on you, baby
I'll wait on you, baby
I'll wait on you

I'll wait on you, baby
I'll wait on you, baby
I'll wait on you, baby
I'll wait on you
