

All For Nothing

Wasted Penguinz

It feels like a lifetime of memories
Just wasted and gone
Nothing left
Times change
People change
And we have to adapt
We have to try and see positive things
Instead of the negative
It may seem hard and difficult
Considering all the blood, sweat and tears we put into this
It feels like it was all for nothing
Sometimes it feels
Like it's all for nothing
Sometimes it feels [2x]
Like it was all for nothing

No matter how bad it may seem
There is always a light
At the end of the tunnel
Follow your heart
And follow your dreams
Believe in yourself
Because in the end
It's all up to you

All for nothing
