

Blinded

Wasted Penguinz

So far away
Away from home
Not coming back anymore
These empty thoughts run through my mind
It's like I'm blinded by the light (2x)

It's something words can not explain
It's like I'm blinded, blinded

It's like I'm blinded, blinded, blinded

So far away (2x)

So far away
Away from home
Not coming back anymore
These empty thoughts run through my mind
It's like I'm blinded by the light
