

Heroine

Wasted Penguinz

When you're at your worst,
I'll be there to hold you,
and you're hurt,
I'll sooth your pain for you,
and if you can't find a way,
I'm here to stay,
I'll lead the way,

and I'll walk with you through thick and thin,
and I'll be your rock to ground your horizon,
and if you can't find a way,
I'm here to stay,
I'll lead the way,

I'm your Heroine! x4
