

Melancholia

Wasted Penguinz

It's time for me to run, run away from all of this
The pain inside of me is taking over everything
From time to time I feel lost inside this melody
It's like a fantasy, except

It's time for me to run, run away from all of this
The pain inside of me is taking over everything
From time to time I feel lost inside this melody
It's like a fantasy, except it's called reality

Re-a-a-a (3x)
Reality

Reality

It's time for me to run, run away from all of this
The pain inside of me is taking over everything
From time to time I feel lost inside this melody
It's like a fantasy, except

It's time for me to run, run away from all of this
