

## Not That Easy

Wasted Penguinz

I know one day I will look back  
And remember the person I was  
I won't be angry  
Only smile on my own

It's hard to justify unless you've walked the path that I've strolled  
You keep telling yourself tomorrow is the day you'll let go  
And everyone will tell you to change  
Stop being this way

And inside you're gripping your f\*\*king hair  
Screaming out the same  
But it's not that easy  
And it's not ok  
But we all have things in life that we took with love

It's not that easy [x3]

But it's not that easy

It's not that easy

But it's not that easy [x2]
