

Out Of Reach

Wasted Penguinz

Trying to touch you right now
But you're out of reach
Trying to feel you somehow
But you're out of reach
I just want to hold you tight
But you're out of reach
I just wanna feel you for a while
But you're out of reach
You're out of reach

You're out of reach

Trying to touch you right now
But you're out of reach
Trying to feel you somehow
But you're out of reach
You're out of reach

You're out of reach
