

Today

Waterdeep

Today
I will hear his voice
Today
Do not harden our hearts
Today
We are living this choice now

Fall at his feet and believe
Fall at his feet and believe

Today
I will hear his voice
Today
Do not harden our hearts
Today
We are living this choice now

Fall at his feet and believe
Fall at his feet and believe

Slaves are falling away
Sons are holding on yeah
Slaves are falling away
Sons are holding on
