

# That Damn I Didn't Give

Waterloo Revival

I said leave then  
Here's your keys  
If your done with me  
Girl you'll need 'em  
And I thought I believed it  
Cause in that moment  
I was scared just a little too proud to show it  
Didn't know I'd thrown it all away

Until seeing you here with him talking laughing  
Sparkle back in your eyes  
Girl you're acting  
Like you don't have a care in the world  
And then all of the sudden my jaw drops open  
Before I know it the word's coming off of my lips  
Oh man there it is  
That damn I didn't give

I'd forgotten  
How soft your lips were  
Til I saw them  
Kissing somebody else  
To think I had ya  
And let you walk away  
Cause I got mad yeah  
But girl it didn't matter

Until seeing you here with him talking laughing  
Sparkle back in your eyes  
Girl you're acting  
Like you don't have a care in the world  
And then all of the sudden my jaw drops open  
Before I know it the word's coming off of my lips  
Oh man there it is  
That damn I didn't give

I said leave then  
Here's your keys  
If you're done with me  
Girl you'll need 'em  
And I thought I believed it  
Damn

Until seeing you here with him talking laughing  
Sparkle back in your eyes  
Girl you're acting  
Like you don't have a care in the world  
And then all of the sudden my jaw drops open  
Before I know it the word's coming off of my lips  
Oh man there it is  
That damn I didn't give  
Oh, that damn I didn't give
