

# BRAINWASHED

## Waterparks

What's up? Hello, I'm tryna meet ya  
Shocked at the words comin' from my tongue  
A language that I'm not familiar, oh  
Don't take it away, I wanna play, where did the time fly?  
What if I pray? Hopin' you'll stay into the daylight  
Wait, what am I sayin'? I feel insane  
It's only been a couple days

I'm havin' the same thoughts, can't stop  
Thinkin' you've got me brainwashed  
I'm see-through, need you  
Why do I think you're so cool?  
Everything's clean except for my thoughts (Yeah)  
Thinkin' about me gettin' you off  
It's been a week, I'm still at your house  
I don't wanna leave, it's freakin' me out

Oh, I don't wanna leave, it's freakin' me out  
Oh, oh

Why am I actin' like that?  
My day's fucked 'til you finally wanna text back  
I put some extra on my laugh when you say things  
Are you really that funny or am I hallucinatin'? Like  
I'm slippin' away, livin' the life, opened the floodgates  
Give me my space, give me your face at the same time  
It's like my brain isn't mine, you moved into my mind  
Dropped your bags, drew the blinds

Now I'm havin' the same thoughts, can't stop  
Thinkin' you've got me brainwashed  
I'm see-through, need you  
Why do I think you're so cool? (One, two, one, two, three, four)  
Everything's clean except for my thoughts (Yeah)  
Thinkin' about me gettin' you off  
It's been a week, I'm still at your house  
I don't wanna leave, it's freakin' me out

Oh, I don't wanna leave, it's freakin' me out  
Oh, oh

The syndrome feels Stockholm  
I'm like, "Do you wanna keep me on lock though?" Yeah  
Symmetrical feelings  
Match best when we're starin' at the ceilin' (Yeah)
