## Waterparks

If I could I'd trade my heart for a second brain  
I wish I was as brave as my last name suggests  
I wanna pour my feelings down the drain  
But I'll just take another sip until my eyes drip  
"Stay the same."

I don't wanna talk about it  
I don't wanna think about it  
Because the last time that  
I had these thoughts  
I just kept going on about it  
I don't wanna talk about it  
I don't wanna think I've got it, because  
And the worst part of it is

That I don't hear from my friends anymore  
Yeah, everything slows down my 24  
The size of my bad thoughts broke down my door  
And everything slows down  
Yeah, everything slows down

Daylight savings gives me time to think  
Which is the last thing that I want since I don't drink  
So I can't numb my feelings to avoid my thoughts  
That climb to the back of my head tying my veins in knots

I don't wanna talk about it  
I don't wanna think about it  
Because the last time that  
I had these thoughts  
I just kept going on about it  
I don't wanna talk about it  
I don't wanna think about it, because  
And the worst part of it is

That I don't hear from my friends anymore  
Yeah, everything slows down my 24  
The size of my bad thoughts broke down my door  
And everything slows down  
Yeah, everything slows down  
And I don't hear from my friends anymore  
Yeah, everything slows down my 24  
The size of my bad thoughts broke down my door  
And everything slows down  
Yeah, everything slows down

That I don't hear from my friends anymore  
Yeah, everything slows down my 24  
The size of my bad thoughts broke down my door  
And everything slows down  
Yeah, everything slows down  
And I don't hear from my friends anymore  
Yeah, everything slows down by 24  
The size of my bad thoughts broke down my door  
And everything slows down  
Yeah, everything slows down

I don't hear from my friends anymore  
Yeah, everything slows down, down, down, down  
Yeah, everything slows down
