

Glitter Times

Waterparks

You can shred my lips between your teeth
From fireworks to Christmas trees
The present's not a present if you're not around
Fling onto a topper when you're turned around

So when you go
Trap the feelings
We both know
Line your ceiling
Love you so rough
It burns my bones, my bones

'Cause I'd sleep on your sidewalk
Until the sun
It's just that time (hey!)
Never takes a break
Never comes in late, yeah
So when I go
Fuck those stupid girls that don't
Mind their business
Hope you know
You're the only one
'Cause I'd sleep on your sidewalk
Your sidewalk
(Yeah, yeah, yeah)

Obsession works around the clock
It never gets sick or takes days off, like
"Is this entertainment?"
(Is this entertainment?)

So when you go
Trap the feelings
We both know
Line your ceiling
Love you so rough
It burns my bones
Yeah, when you go
Leave those feelings
Home alone
Busted pieces
Why love myself
When I found you in-in-instead?

'Cause I'd sleep on your sidewalk
Until the sun
It's just that time (hey!)
Never takes a break
Never comes in late, yeah
So when I go
Fuck those stupid girls that don't
Mind their business
Hope you know
You're the only one
'Cause I'd sleep on your sidewalk
Your sidewalk
(Yeah, yeah, yeah)

Let's call in (let's call in)
Sick to our phones (we'll be the big one)
Last call I (last call I)
Sing on our phone (sick to the bone)
Wanna be more than alone

'Cause I'd sleep on your sidewalk
Until the sun
It's just that time (hey!)
Never takes a break
Never comes in late
So when I go
Fuck those stupid girls that don't
Mind their business
Hope you know
You're the only one
'Cause I'd sleep on your sidewalk (yeah, yeah, yeah)
Your sidewalk
