

You're the only one who knows my story
Yeah no one cares about it
It is also humble life
Maybe everyone is the same

Everyone always wants to live a golden life
Everyone always wants to live a

Yeah I don't need that golden life
This moment is a gold to me
Cause you are always beside me
You gotta know the golds just a gold
Yeah I don't need that golden life

We may not even have it anyway
Cause I'm just an ordinary man
Yeah I don't need that golden life
We're going to find wealth in the end
But we cannot own it
Well I don't care where I'm goin
Maybe everyone is the same

Everyone always wants to live a golden life
Everyone always wants to live a

Yeah I don't need that golden life
This moment is a gold to me
Cause you are always beside me
You gotta know the golds just a gold
Yeah I don't need that golden life
We may not even have it anyway
Cause I'm just an ordinary man
Yeah I don't need that golden life
