Where are you going?
Where are you going?
Where are you going?
You're just floating into big cloud
And you don't know how to get out anymore
This place is a bore
I don't know what for

Where are you going?
Where are you going?
Where are you going?
You're just floating into big cloud
And you don't know how to get out anymore

I said I'm on my way
But I'm already late
I know that you don't care
But I'm already here

Where are you going?
Where are you going?
I said where are you going?
You're just floating into big cloud
And you don't know how to get out anymore
This place is a bore
I don't know what for

Where are you going?
Where are you going?
Where are you going?
You're just floating into big cloud
And you don't know how to get out anymore

I said I'm on my way
But I'm already late
I know that you don't care
But I'm already here
I said I'm on my way
But I'm already late
I know that you don't care
But I'm already here
