

Heart Attack

Wavves

I'll do anything you want me to
Do
I'm getting off because I'm being used
By you
You could do anything you wanted to
Do
You could do anything you wanted to

Ooh, get up get ready
Ooh, get up be ready
Ooh, get up get ready
Get ready
Get ready

For a heart attack
A heart attack
It's a heart attack
Heart attack

Can't wait my turn; my fear is looping
My thoughts get lost; the air is putrid
You can do anything you wanna do
Do
You can do anything you wanna do

Ooh, get up get ready
Ooh, get up be ready
Ooh, get up get ready
Get ready

Ooh, get up be ready

For a heart attack
