

Honeycomb

Wavves

I, I can't feel all my fingers
I don't know if I need them
I don't know where they are

I, I try to move a wall
But everything goes wrong
And I can't find anyone

I, I feel like I'm dyin'
I, I feel like I'm dyin'

It's cool
It's great
Just pretend I'm okay
Nothing's wrong
Nothing changed
It's just a new day

I, I got nothing to believe in
So I think I should be leavin'
I just can't find the door

'Cause I feel like I'm dyin'
I, I feel like I'm dyin'

It's cool
It's great
Just pretend I'm okay
Nothing's wrong
Nothing's changed
It's just a new day

I need something new
I need something new

It's cool
It's great
Just pretend I'm okay
Nothing's wrong
Nothing's changed
It's just a new day

It's cool
It's great
Just pretend I'm okay
Nothing's wrong
Nothing's changed

I need something new
I need something new
I need something new
I need something new
