

Well I'm so lonely I could die
Put the fingernails in my eyes

You could sparkle bright
And keep it inside
'Cause no one wanna see the light

'Cause the sun won't ever come
No the sun won't ever come

Well I'm so lonely I could die
Put the fingernails in you eyes

You could sparkle bright
And keep it inside
'Cause no one wanna see the light

'Cause the sun won't ever come
No the sun won't ever come
