Oh no no no no no no
Oh no no no no no no
Oh, no no no no no no
Oh, no no no no no no
Ooooooooooh
Ooooooooooh
I am what I am, what I am, what I am
Nobody tells me what to do
Go to your homes
Stay in your homes
Lock your doors
No I can't do that
No way
I refuse to discuss it
Forget about it
Basic principles of equality and freedom, freedom, freedom
Oh no no no no no no
Oh no no no no no no
Oh no no no no no no
Oh no no no no no no
Ooooooooooh
Ooooooooooh
How do you fight an idea
Especially a new idea
Look at that
I'm trying to keep my mind free
No one is going to get in my way now
Nobody
Oh no no no no no no
Oh no no no no no no
They learn to refuse
Oh no no no no no no
Oh no no no no no no
No
No way
And right now
