

# Alright Tonight

Wax

Baby  
I know you've been hurt  
This world can be hard on your soul  
Heartless and painful I know  
But time  
Time is on your side  
And what seems unbearable now  
Will one day seem funny somehow

We are alright  
We are alright  
We are alright tonight

This world  
This world can be so cruel  
Making your dreams disappear  
Just when you thought you were so near  
Oh but this world  
This world can be so kind oh yeah  
Finding its own wonderous way  
Of healing the heartache some way

We are alright  
We are alright  
We are alright tonight

If you're down on your luck  
Just call on me  
If you don't know where to turn yeah  
Just call on me  
And if you're lonely lonely lonely lonely  
You know where i'll be  
I'll be your shelter your guarantee
