

Candy

Wax

Uh
Ooh
Ooh-ooh-ooh-ooh, yeah
Ayy
Huh
Uh-huh

Let me in your garden, baby, I'm tryna pick some fruit
I been starvin' for some time now, ayy, yo (Uh)
Your fruit is covered in sugar
Yeah, baby, and in the middle it's a little bit of juice (Uh)
Uh, check it out

You reduce me to a pubescent lad
When you step into my presence with that essence that you have
If you'd like to make an entrance, I would let you in my pad (Yeah)
You the best I ever had, you are decadently bad, mama
You remind me of a (Uh) bag of Skittles
And yo' body is hypnotic how it rocks and it wiggles
Yeah, you test me just a little, make me weak, make me brittle
How many licks does it take to get to the middle of that

Ooh-la-la-la-la
Let me get a taste now
Ooh-la-la-la-woah, yeah, oh-oh-oh

Let me in your garden, baby, I'm tryna pick some fruit
I been starvin' for some time now, yeah
Your fruit is covered in sugar
Yeah, baby, and in the middle it's a little bit of juice
Ayy, come on

I want that candy, candy, candy, candy, candy, candy, candy, candy, mama
Uh, give me that candy, candy, candy, candy, candy, candy, candy, candy, bab
y, ooh
Candy, candy, candy, candy, candy, candy, candy, candy, mama
Give me that candy, candy, candy, candy, candy, candy, candy, candy, baby

Ayy
Sugar mama, fuckin' up your teeth
You can get this candy but this candy ain't for free
You gotta be a beast if you wanna fuck with me
If you wanna save some money heard these other bitches cheap
Pull up lookin' fly, Miata lookin' clean
Bitches starin' at me like the iPhone screen
I can do it like I did it in your dream last night
The best you ever had in your life

Ooh-la-la-la-la
Let me get a taste now
Ooh-la-la-la-woah, yeah, oh-oh-oh

Let me in your garden, baby, I'm tryna get me some fruit
I been starvin' for some time now, ayy, yo
Your fruit is covered in sugar
Yeah, baby, and in the middle it's a little bit of juice
Ayy, come on

I want that candy, candy, candy, candy, candy, candy, candy, candy, mama
Uh, give me that candy, candy, candy, candy, candy, candy, candy, candy, bab
y, ooh
Candy, candy, candy, candy, candy, candy, candy, candy, mama

(Sweet like sugar)
