

## Good Feeling

Wax

I got a good feelin' 'bout today  
Like everything is gonna go my way  
Ain't got no rhyme or reason  
I don't know  
I just got a good feelin'

The birds are singin', yeah they all in good spirits  
(Ooh-ooh)  
But today it's as if I can understand their lyrics  
They be singin' 'bout the sun and how they love it when it shines  
(Ooh-ooh)  
And the bees be buzzin', havin' nothin' but good times

And it almost seems like nothing could go wrong  
It seems like I am right where I belong  
Ooh  
So if I seem extra glad it's 'cause of this feeling that I have, yeah

I got a good feelin' 'bout today, yodel-ay-hee-hoo  
Like everything is gonna go my way  
And I hope it do  
Ain't got no rhyme or reason  
I don't know  
I just got a good feelin'

This feeling that I have I don't know if it's got a purpose  
It's hard to put my finger on it like a hot surface  
(Ooh-ooh)  
I'm a child at the playground standing on top of the slide  
About to make my way down and it's gonna be quite a ride  
The current's runnin' through me like the engine of a Tesla  
I'm higher than the flyer of a single engine Cessna  
Feelin' extra extra, you can read about me  
When I got this feelin' there's no reason you should doubt me

And it almost seems like nothing could go wrong (Ayy)  
It seems like I am right where I belong  
Ooh  
So if I seem extra glad it's 'cause of this feeling that I have, yeah

I got a good feelin' 'bout today (Ha)  
Like everything is gonna go my way  
Ain't got no rhyme or reason  
I don't know  
I just got a good feelin'  
I don't know  
I just got a good feelin'
